WHAT WOULD BE THE PERFECT GIFT FOR YOUR CHILD, GRANDCHILD, NIECE, OR NEPHEW

That would remind them of your love for as long as they live?

PARTICIPATING WHOLE LIFE INSURANCE IS A GIFT WITH NO BREAKABLE PARTS AND NO BATTERIES REQUIRED.

It won't end up in the toy graveyard, or go out of style. It says "I love you" more than words.

IT HELPS YOU TEACH YOUR CHILD FINANCIAL STEWARDSHIP AND CREATES A LIFELONG POOL OF MONEY

For your child to realize every opportunity, and make lifelong dreams come true.

THIS GIFT PROVIDES A POOL OF MONEY TO PAY FOR YOUR CHILD'S EDUCATION, FINANCE HIS OR HER FIRST CAR AND EVERY CAR THEREAFTER FOR A LIFETIME.

This gift may stand with your child at the alter of marriage, help to welcome his or her first child, cover the downpayment on a house, and provide protection for your child's future family.

MOST IMPORTANTLY, THE GIFT WILL SET IN MOTION A FINANCIAL STRATEGY THAT WILL LAST YOUR CHILD'S LIFETIME

And supplement your retirement and his or hers. It will be a financial strategy that will teach the valuable lifetime lesson of stewardship. And best of all, this gift will never be lost to the stock market or the government.

WHEN YOU PUT THOSE THINGS TOGETHER, THE WORD "PRICELESS" COMES TO MIND.

- Build wealth that lasts a lifetime
- Create a pool of capital to self-finance purchases
- Teach your child the responsible use of money, including borrowing and repaying loans to him or herself
- Insurance protection and emergency cash for your child's future family
